Dear Wayne:

Enclosed per your request are two copies of the proposed road corridor map prepared by Johnson & Tuttle Engineering, Inc., which depicts the original 2001 proposed center line for Emery County Road #126. We understand that this information will be used to reaffirm the Division's original public road finding. Consistent with the previous finding, County Road #126 is a public road owned by Emery County and should not be included in the permit area for the Lila Canyon Extension.

Please let me know if you have further questions regarding this matter.

Very truly yours,

Denise A. Dragoo
